# What Clients Are Saying:

*"Your presentation was a perfect fit for our organization as the information was relevant and needed. Our participants were able to walk away motivated with a solid understanding of how to use humor to connect with colleagues and members. Additionally, our members left the meeting with skills to improve trust and engagement within their organizations."* **Shane Yates, Exec. Dir. Ohio Society of Association Executives**

*"Dave Caperton was absolutely amazing! We thoroughly enjoyed his keynote presentation and I highly recommend him! He made us cheer and laugh out loud!"* **Charyl Luth, Affordable Housing Assn. of Indiana**

*Dave absolutely hit every mark and then some. Dave spoke for our association in 2009 and was our highest rated speaker. Six years later, Dave, like a fine wine, only got better and was again our highest rated speaker. I put Dave in the same league as Jerry Seinfeld BUT with a genuine focus to change the lives of an audience as well as entertain. Can't wait to have him back.*

**Patrick Venditti, Missouri Self-Insurers Assn**

*Dave was a JOY to work with. His humor left our conference attendees in stitches. The best part about Dave's style is the balance between informative, practical and funny. The attendees were quoting his presentation throughout the day and smiles were all around. Dave helped to rejuvenate an entire audience which is no easy task.*

**Jennifer Taylor, Dir Member Svcs, Midwest Care Alliance/LeadingAge Ohio**
