## Eric shares life-changing thoughts on...

"Train the mind...the body will follow. If you don't, potentially you could die."

"If I didn't live a 'Switched On' life (SOL)... I'd be dead!"

"When life meets death, destruction, and darkness... if you're living a SOL, you'll still see a path leading to greatness."

## Eric's accomplishments:

- **INTERPOL Citation:** Operation Pink Panther
- **U.S. Attorney General's Award:** "Endeavors in furthering the interest of U.S. National Security"
- **Senior Positions:** Homeland Security & INTERPOL
- **Worldwide Covert Operations:** Iran, China, Russia's illegal acquisition of weapons of mass destruction, human trafficking, child pornography, terrorism, money laundering & drug smuggling

Eric's first book, *Switched On — The Heart & Mind of A Special Agent*, is a must-read glimpse behind the badge. Featuring his life's journey with a degree of realism, raw emotions, and the essence of life as an agent protecting America, it will leave you stunned.

**"Eric's simple philosophy about awareness can change lives, both in the blink of an eye in a moment of potential crisis and over the course of one's life. He will help you make the right decision, leading to greater personal and spiritual fulfillment."**

—Honorable Ronald K. Noble, INTERPOL Secretary General, 2000-14
