

Judi
MOREO, CSP

International Speaker, Author, and Coach

Judi has inspired hundreds of thousands of people around the globe with her unique speaking and training style.

Become **Engaged** in Learning with Immediate **Application**

Because you want your attendees to be totally engaged in learning how to apply immediate, applicable skills that will positively affect their relationships, both personally and professionally, you need to have Judi Moreo speak to your group.

Judi has all the elements that you look for in an expert speaker: knowledge, experience, high energy, humor, creditability, and customized content.

She is the expert you want because Judi:

- Brings a fresh perspective to inspire those who feel stuck
- Challenges and motivates people to be their best selves
- Ignites and empowers attendees to improve performance
- Promotes the importance of teamwork and how to make it work for them
- Helps them discover how to open doors to bring greater success to their careers, relationships, and their lives.

Key Insights for Business & Personal Growth

Judi offers key insights for business and personal growth, collaboration, and finding new paths to improvement. Coming from an expansive professional background in the corporate environment, the international marketplace, and as an entrepreneur, Judi stands alone as one of the top speakers in the world while sharing her own story of success.

"Inspiring"

"If you're planning an event and want an inspiring, adventurous, poignant, and witty speaker, you certainly couldn't possibly find anyone who would please you more."

Judy Lawton

Founder and CEO, The Lawton Group

"Effective"

"The response to Judi's talk superceded my wildest expectation. Without exception, all delegates verbalized appreciation of her message, but more importantly, we have been able to take tangible hints to help improve our overall effectiveness."

Cliff Sclanders
Sales Manager

DHL Worldwide Express

"Extraordinary"

"Judi is EXTRAORDINARY in every way. Judi started to work with me in South Africa as a guest speaker over 15 years ago. The message that she delivers is always sincere, relevant and ignites her audience... Judi is an asset to everyone out there!"

Merle Whale, President
Mbizo Events

Judi's knowledge and expertise are powered by her passion for learning and delivered with humor and energy to provide programs guaranteed to enrich the lives of all who hear her.

"Powerful"

I heard Judi Moreo speak. Her message is powerful and yet was entertaining and humorous. The stories she illustrates gave a convincing impact to her message. I can't ever remember when I have been more impressed or enjoyed a speaker more."

Cavett Robert
Founder, National Speakers Association

"Sound Advice"

With sound advice to chamber leaders from a diverse background of 84 countries, Judi's session was one of our most popular workshops – standing room only."

Anthony Parkes
Director, World Chambers Federation
